ADMISSIONS, COURSES AND CERTIFICATES

Teachers-in-Training at the Provincial Normal Schools and the Ontario College of Education are eligible for admission to any of the Summer Courses for which they are otherwise qualified.

Agriculture.

(1) **Elementary.**

To this course may be admitted applicants who hold professional certificates qualifying them to teach in the schools of the Ontario Provincial System. Teachers may be granted Interim Elementary Certificates in Agriculture on the completion of two Summer Courses in Agriculture or on the completion of the following courses:

(i) The Lower School or Middle School course in Agriculture, followed by a course at a Normal School and one Summer Session in Agriculture. Only those who have taken the Lower School or Middle School course by actually attending a school in which Agriculture is taught in accordance with the High School Regulations and approved by the Departmental Inspector of Agriculture and Horticulture will be granted exemption from one Summer Course. The Winter Reading Course is required of all candidates who are completing the requirements for the Elementary certificate in Agriculture and Horticulture by attendance at one Summer Session.

(ii) The Lower and Middle School courses in Agriculture, followed by a course at a Normal School. Only those who have taken the Lower and Middle School courses by actually attending a school in which Agriculture is taught in accordance with the Regulations and approved by the Departmental Inspector of Agriculture and Horticulture will be entitled to an Elementary certificate in Agriculture.

When teachers make application for an Elementary Certificate in Agriculture under Section (ii) above, they should forward with their applications their Lower and Middle School certificates, showing their standing in Agriculture, also a statement from the Principal of the School in which they took the course, certifying that they have complied with the requirements of Sections (i) and (ii) above. When applying for exemption from one Summer Course under Section (i) above they should submit with their applications their Lower or Middle School certificate, showing their standing in Agriculture, also a statement

from the Principal of the School in which they took the course, certifying to the completion of the prescribed course in Agriculture.

Note—Teachers who hold certificates of having passed the complete examination in Agriculture of the Lower and Middle School in 1928 or prior thereto, may, on application, accompanied by their certificates, be granted Interim Elementary certificates in Agriculture. Those who in 1928 or prior thereto had passed either the Lower School or the Middle School examinations in Agriculture, but not both, may fulfil the requirements for the Elementary Certificate in Agriculture by completing one Summer Session.

(2) **Intermediate.**

To the course for the Intermediate certificate in Agriculture may be admitted Public and Separate School Inspectors, Normal School Masters, and other applicants who hold professional certificates qualifying them to teach in High or Continuation Schools and whose academic preparation has included a competent knowledge of Science. The minimum requirement in Science is a First Class certificate with Biology and either Physics or Chemistry of the Upper School; or a First Class certificate with Biology of the Upper School and at least two years of experience in teaching Middle School Chemistry and Physics in a Continuation School. The equivalent of Biology and either Physics or Chemistry of the Upper School taken at University will be acceptable.

(3) **Farm Mechanics.**

To the course in Farm Mechanics may be admitted applicants who hold or are in course of preparation for an Intermediate certificate in Agriculture or male teachers who hold the Elementary Certificate in Agriculture.

(4) **Specialist's.**

To the Specialist's Summer Course may be admitted teachers who hold an Intermediate Certificate in Agriculture and either of the following:

(i) A Specialist's certificate in Science.

(ii) A High School Assistant's certificate and a degree in Arts from a British University on courses approved by the Department of Education, and who, in addition, have had at least five years' successful experience as teachers of Science in the Lower and Middle Schools or in the Lower and Upper Schools of a High or Continuation School, including at least two years' successful experience in teaching Agriculture in one of such schools.

The Specialist's Certificate in Agriculture is awarded to a teacher who holds an Intermediate Certificate in Agriculture, a certificate in Farm Mechanics, and who completes successfully the Specialist's Summer Course.

Art.

(1) **Elementary.** To this course may be admitted those who hold certificates qualifying them to teach in the schools of the Ontario Provincial system.

(2) **Intermediate.** To this course may be admitted those who hold the Elementary Certificate.

(3) **Specialist's.** To this course may be admitted those who hold the Intermediate Certificate.

Note 1.—Prospective candidates for the Elementary Art certificate are advised to make what preparation they can in advance of the course.

Note 2.—In 1937 the course for the Intermediate certificate will be arranged so that teachers who already hold the Elementary certificate will have an opportunity of securing the Specialist's certificate by taking some additional work and a high standing on the subjects of the Intermediate course.

Auxiliary Training.

Should sufficient numbers apply, three separate though partially articulated courses will be given this year. Certificates obtained in any one or two of these courses are accepted as qualifications under Circular 72 for permanent teaching certificates.

Course I.

For teachers who wish to qualify for positions with regular auxiliary training or promotion classes.

To this course may be admitted applicants who hold at least an Ontario Second Class professional certificate and who have had at least two years' successful teaching experience in Ontario.

Courses will be given in special psychology, intelligence testing, special methodology and craft work. Texts used are "Training Handicapped Children", Ryerson Press, "The Measurement of Intelligence" by Terman. Testing Material.

Course II.

For teachers who wish to qualify for positions with regular auxiliary speech correction and lip-reading classes or who wish to fulfil the requirements of the training course provided at the Ontario School for the Deaf.

To this course may be admitted applicants who hold at least an Ontario Second Class professional certificate and who have had at least two years' successful teaching experience in Ontario or in case of those fulfilling requirements for the training course at the Ontario School for the Deaf, an Ontario First Class professional certificate and at least two years' successful teaching experience in Ontario.

Courses will be given in special psychology, intelligence testing, special methodology, speech correction, lip-reading and speech production.

Texts used are "Training Handicapped Children", Ryerson Press, "The Muller-Walle Method of Lip-Reading" by Bruhn, "The Correction of Speech Defects" by Peppard, "The Ontario School Ability Examination" and accompanying Testing Material.

Course III.

To this course may be admitted (1) teachers holding at least an Ontario Second Class professional certificate who wish later to qualify as regular auxiliary class teachers but who at present do not possess the teaching experience specified in Course I or Course II.

(2) Teachers and social workers in rural and urban centres who while not desirous of qualifying for positions in regular auxiliary classes wish to equip themselves better for dealing with problems relative to the training of physically handicapped, mentally handicapped or behavior case children. No special qualifications are required for admission to section (2) of this course.

Entrants under section (1) will pursue either Course I or Course II as outlined above.

Entrants under section (2) may pursue either Course I or Course II as outlined above or a general course dealing more widely with various phases of school and social maladjustment.

Entrants under sections (1) and (2) who successfully conclude Course III will receive a general auxiliary class certificate valid for the purposes of circular 72 but not entitling otherwise unqualified persons to teach in the public or separate schools of the Province. Upon completion of the specified qualifications this general auxiliary class certificate may, however, be exchanged for a regular interim auxiliary class certificate.

Commercial.

(1) **Elementary.** To this course may be admitted teachers who hold at least First or Second Class certificates.

(2) **Intermediate.** To this course may be admitted those who hold the Elementary certificate.

(3) **Specialist's.** To this course may be admitted those who hold the Intermediate certificate and are qualified to teach in the High Schools.

Note—Complete details regarding the Summer Courses leading to the Elementary, Intermediate and Specialist's certificates in Commercial subjects may be had on application to the Department.

Education.

A course in Educational Psychology, History of Education, School Administration, and Special Methodology for teachers holding Interim First Class certificates and having at least two years' teaching experience. This course is one of the essential requirements for the Permanent First Class certificate, and may be taken either before or after the University requirements for this certificate are completed.

A course will also be given for those graduates of the College of Education who have taken the Public School option during their training course but have not completed the full requirements for an Interim First Class certificate.

Health Teaching.

To this course may be admitted the holders of professional certificates qualifying them to teach in the schools of the Ontario Provincial system.

The rapidly changing conception of the place of the school and the teacher in securing and maintaining the good health of the individual and the community has led to the need for changes in the methods of presenting this subject and for

revising our ideas as to what is approved by the health and educational authorities. The curriculum will contain the latest discoveries in knowledge and practice. The course will provide for formal and informal discussion; demonstrations of the use of suitable devices and aids and opportunities for observation; visits to appropriate places of interest.

No examination will be held at the end of the course. To qualify for credit in the course the teacher is required to complete satisfactorily the specified assignments, and during a subsequent year of teaching give satisfactory evidence of the practical application of the course.

High School Assistant's.

To the Summer Course for the High School Assistant's certificate may be admitted teachers who have completed their academic standing for admission to the Ontario College of Education and (1) who hold a First Class certificate issued on the completion of one session of attendance at an Ontario Normal school, and who have had at least three years of successful teaching experience in the Public, Separate or Continuation Schools of Ontario; or (2) who hold a Permanent Second Class certificate issued after the completion of one session of attendance at an Ontario Normal School, and who have had at least six years of successful teaching experience in the Public or Separate Schools of Ontario; or (3) who hold a Permanent Second Class certificate issued on the completion of a second session of attendance at an Ontario Normal School.

Note 1—Candidates who have been duly admitted to the Summer Session for the High School Assistant's certificate, who attend throughout the session, and who successfully pass the examinations at the close of the session may be granted by the Minister a Provisional Certificate to teach as a High School Assistant during the ensuing school year, and may be admitted to the final examinations for an Interim High School Assistant's certificate at the Ontario College of Education.

Note 2—A candidate who is otherwise qualified and who holds a Permanent First Class Certificate issued on the completion of a second session of attendance at a Provincial Normal School may be admitted to the final examinations of the High School Assistants' Course without further attendance

Note 3—All other candidates who are otherwise qualified, and who hold Permanent or Interim First or Second Class Certificates, are required to attend the High School Assistants' Course of the Ontario College of Education from January to June before they are admitted to the final examinations of the High School Assistants' Course.

Note 4—Candidates who are otherwise qualified, who present evidence of professional training in other provinces or countries, may be admitted to the final examinations for the High School Asisstant's Certificate with such attendance as the Minister in the light of the evidence may require.

Household Science.

To the course for the Elementary Certificate in Household Science may be admitted teachers who hold at least a Second Class certificate.

Note 1—The Summer Course in Household Science is provided to qualify for the teaching of this subject in rural schools and the Elementary certificate granted is valid in rural schools only.

Note 2—Holders of the Elementary certificate in Household Science may be admitted in January, instead of the previous October, to the one-year course leading to the Intermediate (formerly Ordinary) certificate.

Length of course—two summer sessions of five weeks each.

Kindergarten-Primary.

To this course may be admitted teachers who hold at least Second Class certificates and who give proof that they are able to sing, and to play simple airs at sight on the piano or organ.

Length of course—two summer sessions of five weeks each.

Manual Training.

(1) **Elementary.** To this course may be admitted teachers who hold at least a Second Class certificate.

Note 1—The Summer Course in Manual Training is provided to qualify for the teaching of this subject in rural schools and the Elementary certificate granted is valid in rural schools only.

Note 2—The holders of the Elementary certificate in Manual Training may be admitted in January, instead of the previous October, to the one-year course leading to the Intermediate (formerly Ordinary) certificate.

Length of course—two summer sessions of five weeks each.

(2) **Specialist's.** To this course may be admitted teachers holding an Intermediate (formerly Ordinary) Manual Training certificate.

The course is divided into Parts I, II and III each of five weeks. The several parts must be taken in order. Part I only will be given in 1937. The entire length of the course is 600 clock hours of work.

This is a special course of advanced work in wood-finishing, applied design, wood-turning, cabinet-making, art metal work, and home mechanics.

Music.

(a) **Vocal.**

(1) **Elementary.** To this course may be admitted applicants who hold certificates qualifying them to teach in the schools of the Ontario Provincial system.

(2) **Intermediate.** To this course may be admitted applicants who hold the Elementary certificate.

(3) **Specialist's.** To this course may be admitted applicants who hold the Intermediate certificate.

(b) **Instrumental.**

(1) **Elementary.** To this course may be admitted applicants who hold certificates qualifying them to teach in the schools of the Ontario Provincial system.

(2) **Intermediate.** To this course may be admitted applicants who hold the Elementary certificate.

Applicants who do not hold the qualifications prescribed above but whose academic and professional qualifications are satisfactory to the Minister, may be admitted to these courses.

Oral French.

To this course may be admitted the holders of professional certificates qualifying them to teach in the schools of the Ontario Provincial system, whose academic preparation has fitted them to teach French. The course is intended more particularly for the teachers of French in the Continuation Schools, High Schools and Collegiate Institutes of the Province.

This course is provided to enable teachers of French to improve themselves in French pronunciation, conversation and composition, as well as in methods of teaching the subject. The examination at the conclusion of the course is optional. Candidates who are successful in passing the examination will be granted a certificate. This year the course will be held in the city of Quebec from July 26th to August 20th. Arrangements will be made for board and lodging in the Sillery Academy for the women and suitable arrangements will be made also for the men. A circular giving details regarding these arrangements and the organization of the course may be obtained on application to the Department of Education.

Physical Education.

(1) **Elementary.** To this course may be admitted teachers who hold certificates qualifying them to teach in the schools of the Ontario Provincial system.

(2) **Intermediate.** To this course may be admitted teachers who hold the Elementary certificate.

(3) **Specialist's.** To this course may be admitted teachers who hold the Intermediate certificate or who hold certificates qualifying them to teach in a High School and have taken successfully a course in physical education in a University or elsewhere that is deemed by the Minister the equivalent of the course for an Intermediate certificate.

Note—In addition to the courses at Geneva Park and Appleby School, Oakville, there will be a course at Kingston this year for the Specialist's and Supervisor's certificates only. To these courses will be admitted teachers who hold the Elementary certificate and who are desirous of obtaining the Specialist's or Supervisor's certificate in one additional summer course. It is expected that hereafter teachers will take for Specialist's standing the regular course of three summers or the equivalent.

Refresher Courses in Science.

To these Courses may be admitted teachers who are qualified under the Regulations of the Department of Education and who have had at least two years' experience in teaching Science.

The Courses will be given at the Ontario College of Education from July 26th to August 20th and will consist of lectures and experimental work covering Lower School Biology and Middle School Physics and Chemistry.

Upper School Subjects.

To the Upper School Courses for entrance to the Normal Schools may be admitted applicants who hold professional certificates, qualifying them to teach in the schools of Ontario.

Vocational Guidance.

An applicant for admission shall have a First Class Professional Certificate, or a High School Assistant's Certificate, or a Vocational Teacher's Certificate or a Manual Training Specialist's Certificate, and five years' successful teaching experience approved by an Inspector of the Department of Education.

The course shall consist of three parts: Parts I and II may be completed in one summer session each; Part III is extra-mural. Part I shall be taken before Part II. Part I will be given in 1937.

Part I

School Organization and Administration,
Economics,
Tests and Measurements,
Educational and Labour Legislation,
Sociology.

Part II

Principles and Problems of Vocational Education,
Vocational and Educational Guidance,
Technique of obtaining Occupational Information,
History of Industry.

Part III

Prescribed Reading,
Administration of Tests,
Field Work—Surveys, Job Analysis, Plant Studies.

Successful candidates will be awarded an Interim certificate in Vocational Guidance valid in any Public or Secondary School in Ontario.

GENERAL INFORMATION

Application.

(1) For the satisfactory organization of the courses, applications should reach the Department not later than June 15th. No assurance can be given that applications received later than this date will be considered.

(2) The form of application should be filled in and addressed to the Deputy Minister, Department of Education, Toronto.

(3) If, as a result of the small number of applicants, the Department should decide not to provide a course, applicants for admission thereto will be duly notified.

Transportation.

Reduced fares will be granted both students and instructors by the Canadian Passenger Association as in past years.

Registration.

(1) All applicants shall present themselves for registration not later than the first day of the session at the places at which the courses are to be given.

(2) The classes will be organized and the work will begin not later than the morning of the second day. Regular attendance is required in all courses.

Fees.

A fee of ten dollars will be charged for admission to any Summer Course being offered this year. This fee will be payable at the opening of the course to the Principal in charge.

Preparation for Summer Courses.

In the Summer Courses, which are necessarily brief, the subjects cannot be treated in detail. Candidates are, accordingly, expected to make as much preparation as possible throughout the school year.

Equipment.

(1) Students in the courses in Agriculture are required to furnish their own working material for plant collections, etc. Such material may be bought at the College. They should also bring field or opera glasses, pocket knives, pocket magnifying glasses, and any books which they possess and have found useful for the work in Agriculture. As a considerable amount of the work is taken out of doors, women students should provide themselves with stout boots, walking skirts, garden hats, gloves, etc.

A swimming pool is provided at Guelph. All students should provide themselves with bathing caps. Women students should bring bathing suits. Tennis courts are also provided at both Guelph and Kemptville. Those who desire to play should bring their racquets and balls.

(2) Students in Household Science are required to provide themselves with the regulation uniform for work in the food laboratories.

A deposit of $1.00, payable to the principal, is required for each student. This amount, minus the cost of equipment destroyed, will be returned at the end of the course.

(3) All women students in the Physical Training Course are required to wear the prescribed costumes in practice classes. The approximate cost of each costume is $10, and printed instructions concerning it will be given out upon registration.

BOARD AND LODGING

(1) (a) Applicants admitted to the Course in Agriculture at the Kemptville Agricultural School, Kemptville, and the Ontario Agricultural College, Guelph, may obtain board and lodging in residence at the rate of $1.00 per diem.

At Kemptville, owing to possible lack of accommodations for all, women students will be given preference in assigning of rooms in residence.

(b) Application for rooms should be made on or before June 22nd, to the Principal of the School at Kemptville, or to the President of the College at Guelph, as the case may be. Each application shall be accompanied by $5.00, which will be allowed on the bill for board and lodging, or will be returned in case of illness or other unavoidable cause of absence.

(c) Rooms will be reserved in the order in which applications therefor are received. Each student rooming in residence at the Ontario Agricultural College must bring the following equipment:—two pairs of single sheets, one pillow, two pillow cases, one bed spread, towels, toilet soap and a laundry bag. All linen should be plainly marked and the student's name should be in distinct letters on the laundry bag.

Students in residence at Kemptville are not required to provide this equipment.

(2) The University authorities in Toronto are prepared to offer accommodation to teachers as follows:

For **men**—University Residences—A. T. Laidlaw, University of Toronto; Burwash Hall, W. J. Little, Bursar and Senior Tutor, Victoria College, Trinity House, The Registrar, Trinity College.

For **women**—Whitney Hall, Miss M. B. Ferguson, 79 St. George Street, Toronto; Annesley Hall, Miss J. Macpherson, Victoria College; St. Hilda's College, The Registrar, Trinity College.

(3) A list of suitable and convenient boarding-houses for teachers taking the Household Science or Manual Training course at Hamilton, or the Kindergarten-Primary Course at London, Ottawa, or Toronto, may be obtained on application to the Principals of the Normal Schools at these centres.

EXAMINATIONS

Centres.

(1) Examinations in the subjects of the Middle and Upper School Normal Entrance courses will be held in August at Ottawa, Kingston, Peterborough, Toronto, Hamilton, London, Stratford, Windsor, Huntsville, North Bay, Sturgeon Falls, Haileybury, Cochrane, Kenora, Fort William and Sault Ste. Marie. Question papers will be provided in Middle School English (Literature and Composition), Canadian History, Ancient History, Algebra, Geometry, Physics, Chemistry, Special French (Literature and Composition), and in Upper School English (Literature and Composition), Modern History, Algebra, Geometry, Trigonometry, Physics, Chemistry, Botany, Zoology, Latin (Authors and Composition), French (Authors and Composition), Special French (Literature and Composition), German (Authors and Composition). Full information, including forms of application and copies of the time-table may be obtained from the Deputy Minister on or about July 15th.

(2) Examinations for certificates on the subjects of the other summer courses will be held at the close of each course at the centres of instruction. The time-tables may be obtained from the Principals concerned about a week before the examination commences.

(3) In the Commercial course supplemental examinations will be provided during the first week of the course for those candidates who have Credit for previous attendance in certain subjects, but who have not obtained standing in those subjects.

Admission.

To qualify for admission to the examinations provided for herein, each candidate shall have been duly admitted to a Summer Course and shall have completed satisfactorily the course concerned. Attendance at the Summer Courses is not obligatory in the following cases:

i. Candidates who have taken a course elsewhere which the Minister of Education has approved as the equivalent of the course prescribed for the certificate concerned.

ii. Candidates for admission to the Middle and Upper School courses who hold an Ontario teacher's certificate.

Application.

(1) Application for admission to the Middle and Upper School examinations shall be made to the Deputy Minister not later July 24th.

(2) Application for admission to the other examinations shall be made to the Principals.

(3) In the case of candidates for admission to the Middle and Upper School examination, the official form of application, when English Literature is one of the subjects of the examination, shall include a certificate signed by the applicant that he has read carefully during the preceding year, in addition to the works prescribed for the examination, at least four suitable works in English Literature, at least one of which shall be poetry, and the names of the books and the authors shall be given in such certificate.

Fees.

(1) For each Middle and Upper School paper the examination fee is $1.00.

(2) No other examination fees are charged.

Appeals.

A candidate who fails at the Summer School examination for a certificate may have his case reconsidered if, within two weeks after the announcement of the results, his appeal, with the required fee and a statement of the grounds on which it is based, is lodged with the Deputy Minister. The appeal fee is $2.00 for each Summer Course and $2.00 for each Middle and Upper School paper. The fee will be refunded if the appeal is sustained.
